Winners of TECHNOVATION 2025

Hira Foundation invited students from different schools to work in groups and show their capabilities. We are proudly sharing that out of 15 schools we emerged as the best in both categories, Maths and Science. Presenting the highlights and Winners of TECHNOVATION 2025

Inter-section cooking competition

It was an exhilarating day for everyone in school when students of grade 8 participated in an inter-section cooking competition. We are ecstatic to share that they showed their awesome cooking skills by presenting unique and delicious recipes. Judges were full of praise for their innovative recipes, and their compliments filled the hearts of students with joy.

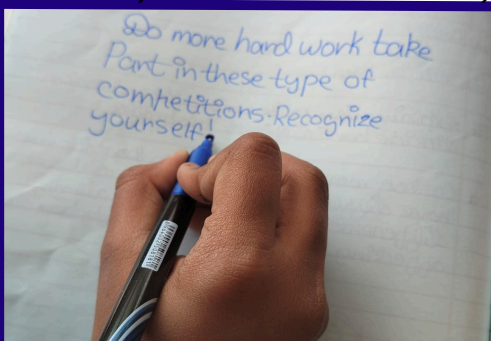

"The Winners of Inter-section cooking competition"

Winning the food competition was such an incredible experience. The excitement and pride we felt when they announced our team's name was unforgettable. It was a great opportunity to challenge ourselves, be creative, and have fun with friends. We encourage all students to participate in such competitions – not only will you learn new skills, but you'll also make amazing memories along the way! It's an experience you won't want to miss!

Team : Singaporean Rice (8F)

Eshal, Tabeer Hooria, Ansa , Romana
